NEED HOSTS!

Letter From Our President

Sharon Jacob

I hope everyone is staying cool. The rally at Antler Oaks Lodge and RV Park in Banderita was very small but we still had a great time! We were all happy to spend some time with **Corky** and **Virgie McHaney**, who live about 10 miles down the road.

We had several guests. **Craig Bennett** brought his two sons, Adam and Matt. **Patsy Monk's** brother & sister in law, Mike & Amy Love, also joined us. We enjoyed getting to know them and I think they had a good time.

Thank you to the hosts **Bob and Patsy Monk, Carroll and Gayla Shelly, and Jerry and Francis Reeves.**

We received some sad news. **Ann Brieger** went to be with her Lord last month. She had served as a GMC Classics President in the

past. We will all miss her!

Hope to see you all at the next rally at the Onalaska KOA in Onalaska, Texas. This is on Lake Livingston and should be a lot of fun. Get your reservations in now.

Everyone have safe travels and stay in good health!

Sharon

Tech Session

Bandera, Texas

The Tech Session was an open discussion. Attendees participated by sharing ideas about what they had done and asking lots of questions. Sometimes multiple conversations going on at once.

There were lots of good ideas floating

around the room. The guys really enjoy this type of Tech Session!

Home Brewed Solutions for Rodents

If you find the commercial mouse deterrents a little on the pricey side here are a few common household products people have had success with.

Fabric Softener Sheets – Spread dryer sheets all over the RV when it’s in storage to keep mice away. Then when you take it out put the sheets in a plastic bag and use them for laundry.

Irish Spring Soap – Same idea as the dry sheets. Supposedly mice hate the smell.

Moth Balls – Some folks use these at the entry points to dissuade mice. Keep in mind though they are toxic and may harm a child or pet. Also it is hard to get rid of the smell.

Please take the time to share with me any articles of interest and/or things regarding your experience with your GMC so I can add them to the newsletter. I know there are lots of interesting/ funny/ exciting things that have happened, at some time or another. People would enjoy reading about your experiences in our Chatter. It does not have to be just about your GMC. It could be about your travels, a neat place to go, things you saw, fun, camping, shopping, etc. Give it to me at a rally or email it to: debbie@bdub.net
