Letter from our President

Burt Doucette

Morning Friends,

WOW! What a party in Kerrville, TX. They say that, "if you can meet and make friends with just one new soul" at these rallies, consider yourself lucky.

We had many multiples of that at Kerrville. We had the honor of meeting two new most extraordinary couples. **Dr. Charlotte Wolf Austin, PhD**, former director San Antonio College, Professor Emeritus. - most delightful, bright star, spirited, well styled and groomed lady you'll

ever meet. She does programming and opal jewelry trading. Packs heat, "if she feels threatened". A S&W, Lady Smith .38 of course. Her husband, **Bert**, is a really nice guy. He is in the HVACR and Kitchen Equipment business. San Antonio people. Both are very spiritual.

Chuck Peck and his incredible wife **Rhonda**. They're from Manchaca, TX. He's a Texas State healthcare inspector and she programs assemblers in machine language. They are both retired U.S. Army Captains, but are still working. They made me feel so welcome in their awesome Birchaven that was obtained in San Diego. This very slick coach has every GMC upgrade known to man. WOW! They are warm and so knowledgeable.

This Classics bunch is anxious to share their lives. To me, this is the highest form of friendship. Our newest host, **Delaine** and **Wayne Brady** hit their stride, producing a "WILDERNESS" Friday night spoof. Then, a raucous game of LCR complete

with cheerleaders. **Delaine** and **Judy Doucette** put their hearts into the decor and general good spirit of comradeship for all. It worked!

The backbone of the all volunteer team showed up and filled in where others could not be here. Bingo calling, Bunko, Chickenfoot, Baseball, Washers and LCR. I want to point out **Sydney Robinson** and **Scott Nutter** seem to be having more fun than anyone around. They are tops, especially at calling Bingo.

Old friends like **Jaye** and **Richard Hodges** were on hand to help with medical emergencies that came up. They were our Mentors when we were Newbies 12 years ago. I hope they are proud of Judy and myself. Even our next door neighbors at Buckhorn, a Retired couple from Dallas in a Winnebago, got caught up in the excitement and asked to join us for the Friday night WILDERNESS party. They had a blast.

I am so honored to be considered your friend y'all,

Your President
Burt

Fun for Ladies

Delaine Brady lead a group of 12 ladies in a fun game of BUNKO. We all had a great time and think it will be a keeper game! Thanks **Delaine!**

Susan England was the hostess for the Ladies' Luncheon. 17 ladies enjoyed a meal of Rabbit and Grass (Chicken salad and a green salad). The ladies shared some stories about their favorite times or things. It was a great time! Thanks **Susan!** It was a lot of fun and so delicious! I stole her recipe for the garden salad and have made it several times since the rally. **Susan** is the "Master of Salads" and **Alan Sanderson** verifies this proclamation.

HAVE YOU SEEN THIS CHICKEN?

male/big build/brownish features/giant green eyes/red comb and wattles
Known for running in place, doing jumping jacks, and spontaneous dancing on command.

Stanley Chickenfoote, who writes for our Chatter, is missing. Have you seen him? **Georgene Farrill**, they won't let us put out an Amber Alert because you know ... he is a chicken ... But couldn't they send out a Fowl Alert or something??? Makes sense to me!

If you find Stanley, please return him to the GMC Classics Club. He is a valued member and we miss him so much!

PLEASE write for us again Stanley!

I know there are lots of interesting/ funny/ exciting things that have happened, at some time or another. People would enjoy reading about your experiences in our Chatter. It does not have to be just about your GMC. It could be about your travels, a neat place to go, things you saw, fun, camping, shopping, etc. Give it to me at a rally or email it to: debbie@bdub.net
