

## Rally Equipment and Supplies

After finding it very hard to find a wagon master because of having to pull the trailer or otherwise seeing that it is transported to the rallies, we decided at the October, 2016 rally in Rusk, TX that we would quit pulling the trailer on a trial basis for a while. Carroll has agreed to keep it at his home in Temple until we decide for sure what to do with it. We decided to try asking for volunteers to be in charge of certain items and to try to get them to the rally each time.

The list is as follows:

Chuck Peck (Tech Coor) Projector (USB to VGA adapter is on order to go with it)

In the trailer -

Coffee equipment and coffee. We will plan to purchase new creamer, cups, stirrers at each rally.

Griddles

Toasters

Ice chest

Utensils, varied

\*Old Sound System - Maroon plastic box about 3 ft long X 1.5 ft high X 2ft wide.

Burt Doucette - New Sound System and Difibrilator

Boyd Mooney -

Washers

Carroll Shelly

Washers, 2nd set

Reg Phillips -

Bingo

Francis Reeves -

Chicken Foot, 1/27/19 - spare baseball game and spare washers game.

Billy & Debbie Massey picked up the trailer from Carroll after the Mathis rally (Fall 2018), took it home and inventoried the contents. Drove it to the Durant rally (Winter 2019) for all to see what little we use it for. As of 1/28/2019 is at Massey's home awaiting disposition.

Took trailer to Boyd Mooney in 7/11/19 (as we wouldn't be able to attend July rally). Boyd brought it to Fall rally at Glen Rose (for unknown reason) and refused to take it back home. Billy Massey took it back to his home at Lake Brownwood, 11/4/19.
