

# TULSA GMC LUNCH BUNCH

Founders Glyn & Melrose Trimble (1999)

April 7, 2017

The Tulsa GMC Lunch Bunch met today for the monthly luncheon at the Golden Corral located at East 71<sup>st</sup> Street and South Mingo Road in Tulsa. There were a total of 20 in attendance.

Present were Robert & Marilyn Musgrove, Clyde Jones, Fred & Peggy Pitezal, Ken & Doree Broostin, John & Teresa Broostin, Jim & Betty Haynes, Larry & Joanna Potts, Shirley Pense, Bernie Baldwin, Sharon Eimen, Bob & Charlotte Ankershiel and Monte & Helen Jestes.

Discussion included the recent GMCMI rally in Shawnee, OK which was a great success with seven coaches from the Tulsa GMC Lunch Bunch represented. Also, several local GMC owners attended for one or more days minus their coaches. Lunch Bunch ladies were complimented for the great job they did putting on the Ladies GMCMI Luncheon which featured the Hallmark character Maxine and her faithful dog, Floyd.

We know that many of our GMC clubs are losing members as we and our motorhomes age. The FMCA Magazine, February 2017 addition contains an interesting article about a chapter in Florida, the Treasure Coasters, whose membership was down to 15 families in 2014. Two years later in 2016 membership was up to 42 families. The article is well worth reading. A key factor was the attention paid to guests by members; basically, making guests feel welcome. We need to remember that when we have visitors.

Our next planned outing is the Chisholm Trail RV Trip which begins on May 30. An itinerary will be made available in mid-May.

See you next month.
