

TULSA GMC LUNCH BUNCH

Founders Glyn & Melrose Trimble (1999)

May4, 2018

The Tulsa GMC Lunch Bunch met today for the monthly luncheon at the Golden Corral located at East 71st Street and South Mingo Road in Tulsa. There were a total of 29 in attendance.

Present were Jim & Betty Haynes, Jerry McNeil & Betty Adams, Shirley Pense, Chuck & Anne Meyers, Alan & Janice Thomas, Robert & Marilyn Musgrove, Tommy Manning, Fred & Peggy Pitezal, Ken & Doree Broostin, John & Teresa Broostin, Larry & Joanna Potts, Geoffrey & Peggy Alexander, Sharon Eimen, Pat & Susan O'Brien, Monte Jestes, Ty Hardman, Gary Taber, and Floyd Eason.

When I look at this list of GMC owners, I am reminded of the geographical area that is represented: Tulsa, Catoosa, Jenks, Haskell, Owasso, Claremore, Stillwater, Bartlesville, Norman, Oklahoma City and Fayetteville, AR. Hopefully, I didn't overlook the place that someone calls home. We appreciate the effort that everyone makes to attend the monthly luncheon.

Ken and Doree Broostin stated that the trip to the Lake of the Arbuckle's/Sulphur areas is cancelled due to scheduling conflicts that several GMC owners have. This trip may be rescheduled at a later date. Also, a couple of shorter trips may be planned as we move in to the summer season.

What's Happening?

- Monte Jestes said that Helen's health is much improved over last month.
- Where were Bernie & Renee Baldwin today? Bernie's physical therapy took priority.
- We wish Fred Pitezal good luck on his knee surgery next week.
- Irv Pense is still away turkey hunting. We hope to see him next month.
- Topic of discussion at the ladies table today was about how to eliminate armadillos. Not to be discussed concurrent with planning meals!!

See you next month.
