Happening!

- Alan and Janice had a busy September with a son's wedding in Denver, as well as attending the GMCMI convention in Amana, Iowa. The only GMC related trouble was a starter that failed (conveniently) while they were surrounded by GMC expertise at the rally.
- Sharon Eimen's grandson, Greg, was married on September 29th in a beautiful wedding at Tulsa Botanical Gardens. They are honeymooning in England and Ireland.
- Shirley reported by text that Irv is improving from his knee replacement, although not as quickly as he would like.
- Ken (and Doree) *like* his new hearing aids!!
- Helen was not at the luncheon today because she is with her daughter who is having knee surgery.
- Anne and Chuck recently returned from an RV trip to Vicksburg. They took the BIG coach this time.
- Joanna said that work *really* has started at the lake property pavilion.

- Peggy stated that progress is being made on the ongoing construction of Sean and Candi's cabin/house [think rustic].

See you next month.
