Founders Glyn & Melrose Trimble (1999)

June 7, 2019

The Tulsa GMC Lunch Bunch met today for the monthly luncheon at the Golden Corral located at East 71st Street and South Mingo Road in Tulsa. There were 27 in attendance.

Present were Geoffrey & Peggy Alexander, Clark Southmayd, Chuck & Anne Meyers, Pat & Susan O'Brien, Jim & Betty Haynes, Clyde Jones, Tommy Manning, Robert & Marilyn Musgrove, Fred & Peggy Pitezel, John Broostin, Ken & Doree Broostin, Larry & Joanna Potts, Sharon Eimen, Irv & Shirley Pense and Monte & Helen Jests.

Also, it was good to see Shawn & Candi Pitezel at the luncheon today for the first time in quite a while.

The decision to cancel the trip to Oklahoma City was the right one considering all the forecasted rain, flooding, tornadoes, etc. We have time to plan other outings this summer.

Happenings!!

- *Good News!!* No one in our local GMC group was affected by the recent flooding, as far as we know.
- Geoffrey and Peggy are headed for Arapaho and Watonga to celebrate Peggy's parents 65th wedding anniversary.
