## TULSA GMC LUNCH BUNCH

Founders Glyn & Melrose Trimble (1999)

The Tulsa Lunch Bunch was formed by Glen and Melrose Trimble so that owners could socialize, become better acquainted, and provide support in the form of advice, etc. to each other. The group met for the first time at the Golden Corral near E. 71st St. and S. Mingo Rd. on September 10th, 1999. The first write-up by Glen Trimble was appropriately titled 'Tulsa Gathering'.
